**National Guard Command**

**Office of the Commander**

**[page 4 and 5**

**Personal letter from Abu and Um Aissa to Abu and Um Ziad**

**Abu Aissa just received a letter from Abu/Um Ziad which in part asked Abu Aissa to arrange a visit for Um Ziad. In order to facilitate this visit, and in accordance with the information Abu Aissa has received, he is including copies of Abu and Um Ziad's residency permits, birth certificate, his (Abu Aissa's) passport, etc. Abu Ziad needs to take these papers to the Saudi embassy and obtain a visa for Um Ziad and their son, Ziad.**

**Next paragraph deals with Um Ziad's grandfather's health, and provides advice for keeping calm and keeping the faith. Several lines at the bottom of the first page of the letter have been cut off, most likely this page was written on A4 paper and then the PDF was generated in letter size.**
