

In the Name of Allah, Most Gracious, Most Merciful

“O Prophet, tell them: If your fathers, your sons, your brothers, your spouses, your relatives, the wealth that you have acquired, the business in which you fear a loss, and the homes which you like are dearer to you than Allah, His Messenger, and making Jihad (*struggle*) in His Way, then wait until Allah brings about His decision. Allah does not guide the transgressors”

Communiqué

To the son's of Al-Jazeera area trips (Albu-Farag, Albu-Ayesha, Albu-Fahed, Albu-Obyed, Albu-Baly, Karttan, Albu-Huziem, Alkarablah, Almalahama, Albu-Souda) it is not a secret the legality of our Jihad against our occupier who travel seas and oceans over thousand and thousands of miles with vehement forces heading in the first place to attack your honor and religious and to order your sons to submissions, those noble sons that did scarifies their life for the sake of Islam, unfortunately we see some of the trip becoming nothing but hindering and obstacles in the path of Jihad, they have became a barrier against the Mujahdeen stopping them from planting the explosives on the main and important roadways fearing our enemy the occupier attacks and harm, plus describing the Mujahdeen with unwanted and unacceptable names, Have you forgotten that our enemy shields themselves. Where will we fight our enemy and he is hiding behind your children, women and homes. I say by God if our Mujahdeen let the enemy to roam free, they will attack your honor and dignity; you are quavering and shivering in your homes waiting for the enemy to rape your honor, what will you chose this condition or to force the enemy out of our homes even if it will cause an injury to a child or women sometimes. We are hoping that your honor and dignity are more important than your homes and money.

(TS: honor will never be clarify until blood is shed)

After all what have said above, we are sending our final request to every quavering person standing in the way of Jihad even in only words, change you ways and stop hiding behind the children and women.

We swear by God the almighty who has risen the skies without pillar if we hear or have knowledge of any one stopping the Mujahdeen or talking about them in vain even if their home close to them, we are warning them, our swords will be the only way of communications to bring justice and to make you an example to each and everyone.

By God we have notified you

By God he is our witness

To God the glory and to his prophet the honor but the hypocrite will never know
