**Whoever of you disobeys this commandment  
will be counted as one of them**

Thanks be to God and no aggression but against our enemy, the peace and the grace upon our most prophet Muhammad and his family and his apostle.

The almighty God said **“He will bless your works and forgive your sins - for he That obeys Allah and His Messenger, has indeed achieved the highest Achievement”**

The almighty said **“Surely the hypocrites will be in the lowest depth of hellfire; and you will not find any helper for them”** it is mentions above that some of hypocrites characteristic is using the infidels as there masters , he banned his believers to avoid becoming a hypocrite, this as part of us as he said “and you will not find any helper for them” which a great evidence for your final punishment , he have warned us , and he told us about how awful dealing with them, and if you have went the wrong ways you deserve a great punishment, in this past verse a great sign and how our God is fair , and God will never punish any one until he have a full evidence , he also give a great warning to stop and works of the evil which will lead you to nothing but sin, because if we did it, God will have nothing but power over us.

The almighty also said. **“O believers! Take neither Jews nor Christians as your protecting friends: they are only protecting friends of one another. Whoever of you disobeys this commandment will be counted as one of them. Surely Allah does not guide the wrongdoers”** the word of the almighty guide his faithful about the Jews and the Christians and about there bad and awful characteristics and the should void having them as there protecting friends, some of them will gather together and become one hands, thus don't allow them to become your protecting friends, truly they are your enemy, they don't care if you are harmed, they will invest every thing in there power to astray you , though who command them will be counted as one of them, total command means total movement to there religious, a small beginning will lead to larger command and will escalate even to the slave of them (**Surely Allah does not guide the wrongdoers**) those who describe as darkness and to darkness they will go back and they will depend on it, and if you come to them with every verse they will never follow you or become part of you.

At this time while our enemy gathered around in the land of Diyala, at this time which we have attacked the filthy division in Diyala and there quarters form martyrdom missions and IED'S leading us to the road of martyrs in order to raise the flag of Islam in this lands. Under this shadow the odor of those hypocrite have appeared and those whom ignore the oath to the prophet and at this time hurting the efforts of the Muslims and the Mujahdeen, God the almighty said in his book (March forth *whether you are equipped* lightly or heavily and make Jihad in the way of Allah with your wealth and your persons. That is best for you if you understand. *As for the hypocrites*, if the gain would have been immediate and the journey short, they would have certainly accompanied you, but the long journey (*in*

*Tabuk expedition*) was too hard for them. *To justify their not accompanying you, they would even swear by Allah, "If we were able, we would certainly have marched with you." By doing so, they are destroying their own souls, for Allah knows that they are liars. Allah forgives you! But why did you (O Muhammad) give them leave to stay behind? (You yourself should have not given them leave) so that it would have become clear which of them spoke the truth and which of them invented false excuses. Those who believe in Allah and the Last Day will never ask you for exemption from fighting with their wealth and their persons. Allah is aware of those who are righteous. only those people ask for exemption who do not believe in Allah and the Last Day and whose hearts are filled with doubt, and are wavering because of their doubts.*

If they had intended to march forth, they would certainly have made some preparation for it; but Allah did not like their going forth; so He made them lag behind and they were told "stay behind with those who stay behind." Had they gone with you they would have added nothing but mischief, and they would have made efforts to create disorder among your ranks, and there would have been some among you who would have listened to them. Allah knows the wrongdoers. Indeed they had plotted sedition before and created disturbance to make you unsuccessful until the truth came through and the decree of Allah prevailed, even though they disliked. Among them there is someone (*Jad-bin-Qais*) who said: "Grant me exemption and do not expose me to temptation (*of Roman women's beauty*)." Have they not fallen into temptation (*of telling lies, double dealings and hypocrisy*) already? Surely hell has encircled these disbelievers. If you gain success, it grieves them, but if you face a setback, they say "We had taken our precautionary measures," and turn away, rejoicing. O Prophet, tell them: "Nothing will happen to us except what Allah has ordained for us; He is our protector;" and in Allah let the believers put their trust. Further tell them: "Can you expect for us anything other than two excellent things (*victory or martyrdom*)? But we are waiting for Allah to afflict you with punishment either from Himself or by our hands. So wait if you will; we too are waiting).

It did become clear the apostasy of some of the organizations which has taken some Islamic and patriotic names and attended meetings with the Americans and the idols guard (Iraqi Army) which was conducted in.

1. Meeting in Al Sulaymania.
2. Meeting at governorate of Diyala.
3. Meeting at the area of Al-Adhim.

Those meeting with led by the leadership of this groups whom supported the American enemy and the idols guard (Iraqi Army) by supporting the enlistment to the police and the idols guard (Iraqi Army), in additions, a full admissions by Ambassador Zalmi Khalilzad was disclosed for meeting thesis organizations whom are falsely claim to be Muslim's, but Islam are free from there affiliations.

And as was mentions in the above Quran verses that a relationship with the infidels or support considered as an apostate from Islam.

**To the soldiers of this organizations be aware of your leadership deceptions, do not become part of the apostate or final days will be in hill for eternal life.**
