

Document Title: Emails from Yusuf Du'ale and Muhammed Bare

ID: AFGP-2002-600734

Date: August 16 & 18, 2001

Synopsis:

A series of three consecutive emails in which Yusuf Du'ale and Muhamed S. Bare discuss acquiring a visa to an unknown country for Sheik Ismail Abdirahman.

Key Themes:

Yusuf Du'ale, in the first email of the series (beginning in the middle of page 2), sends an update to Mohamed Bare concerning visa acquisition for an individual by the name of Sheik Ismail Abdirahman. Du'ale mentions that a passport was acquired for Abdirahman and Tabliq (possibly an individual but likely the South Asian group Jamaat Tabliq) was assigned to help obtain the visa but requests Bare to help in any way he can.

On August 16, 2001 Mohamed Bare replies to Du'ale saying many people, including most Somalis, use forged visas. He notes, however, that a forged visa would put the handicapped Abdirahman at a great risk. Therefore, Bare advises waiting for a genuine visa.

Du'ale replies to Bare on August 18 saying the visa was granted but not yet received. He also relays the message on behalf of Abdirahman that Tabliq's role in the visa acquisition must remain a secret. Additionally, although Tabliq helped attain the visa it will be Du'ale's and Bare's responsibility to renew the document in order to avoid discrepancies. In general Du'ale is optimistic for Abdirahman given that many people gained visas and went on to claim asylum with the help of Tabliq.

It is unclear where Bare and Du'ale are writing, but given the mention of Somali men in the August 16 email one may infer that they are possibly Somali and located in the region. It is also unclear from which country they are attempting to attain the visa.

TO: Mohamed Suleiman
May God Bless You.

Brother, I received your message and I met Sh. Ismail. He told me that the visa has been granted, but I haven't gotten it from him yet. When the visa is issued to me, I will be coming with Said Sh. Ismail, who will come very soon, God willing.

Sh. Ismail stressed very clearly that you should not mention to anyone that TABLIQ was the one who facilitated the visa. At a later time, it will be our responsibility to renew the visa, because they are afraid that a discrepancy may appear. He told me there were others who have been helped to attain a visa, and those people went on to claim asylum. They also disclosed that they have crossed the threshold through TABLIQ.

As for Abdirahmen's task here, I divided it and as for your side (where ever it goes it is rabbit male).

As far as advice about the world, you are right. We are upside down, and the Christians have pooled their resources. So what is the advice? Today, if you don't have a nuclear capability, no one will listen to you about anything.

Anyway, when they are leaving, I will let you know, God willing.

Bye

Yusuf Du'ale

May peace be upon you. We are fine, there is nothing new. I received your previous mail, and I am keeping up with the hearsay. I am expecting that the old man is waiting to join the IJTIMA groups that are coming.

Here you could get a forged visa, and all the Somalis here use these forged visas a lot. However, you can't put at risk a man who is handicapped. Therefore, we should wait to get something that is genuine.

In recent days Khalif told me everything pleasingly, therefore I am very knowledgeable of the headlines. Pass my greeting on to all the tribe and the siblings.

Don't let the guys be overtaken with the lust of the nature, you should be able to get involved and discourage that. You should also think about how we can get rid of this wrap.

You know what is going on around the world and how the Christians have joined forces.

May peace be upon you.

Yusuf Du'ale wrote: To Mohamed Suleiman: May peace be upon you, we are all fine. I did send you an e-mail and I do not know if you received it or not. As far as the Abdirahman case, I got him a passport and I assigned that task to Sh. Ismail TABLIQ. We have not met nowadays, therefore I am not aware if he had requested this or not. Consequently, if something comes out of it, I will tell you. God willing.

If you can generate anything let us know. Ali Bikalo is from the family of Idle, and his sub clan is from the family of Beyle. (AKA. Mohamed Adde). Everyone is doing fine, Ibado Bare is the worse of everyone.

So let us hear from you, and let us know if you have received the previous message, and stop these short answers.
